

PUBLIC NOTICE OF AMENDMENT TO PFC APPLICATION 16-05-C-00 GTF

Notice Date: September 10, 2019

The Great Falls Airport Authority intends to file an Amendment to the Approved Passenger Facility Charge (PFC) Application 16-05-C-00 GTF with the Federal Aviation Administration.

The proposed Amendment to the approved "Impose and Use" projects in the PFC Application 16-05-C-00 GTF refer to Project 16-05-GTF-004 which is a change in description only with no change in approved PFC funding as follows:

Approved Project 16-05-GTF-004 – Acquire Snow Removal Equipment (Blower)

This project includes the purchase of one 3,000ton blower costing about \$650,000. This unit will replace an aging (over 20 years old) military surplus snow blower that is currently in service. The snow blower will provide much more efficiency to the snow removal operations at the airport.

**Proposed Amendment to Project 16-05-GTF-004 – Acquire Snow Removal Equipment
Combination Plow/Broom Unit)**

This project includes the purchase of one combination plow and tow-behind broom costing about \$650,000. This combination unit will allow us to move heavy snow quickly and eliminate the need for two individual pieces of equipment. This unit has interchangeable feature which allows the flexibility of interchanging plow blade with other plow trucks. This also creates interoperability within our snow fleet as most of our broom trailers can be interchanged with plow trucks

The proposed PFC level of collection remains \$4.50 per eligible enplaned passenger. The PFC revenue to be collected and the amount to be used remains \$1,850,000. The estimated charge date and the estimated charge expiration remains the same. A copy of the application is available for review at the Airport. Comments on the proposed amendment to the approved PFC Application should be addressed to Maria Kerley, Assistant Airport Director - Finance, Great Falls International Airport Authority, 2800 Terminal Drive, Great Falls, MT 59404. All comments must be received no later than thirty (30) days from the date of this notice.
